Since re-opening in October of 2009, Long View Gallery has expanded its artist list to include talents from across the United States. This month we choose to celebrate the works of several standout new artists showing with Long View Gallery including Ryan McCoy, Shaun Richards, Jordan Bruns, Zach Sherif, Thomas Burkett, Amy Genser, Shawna Moore, Michelle Peterson-Albandoz and Clyde Fowler. In addition to highlighting the incredible work by each of these artists, several of Long View Gallery's favorites will be showing new and exciting pieces as a preview of what is to come. Join us, and many of the artists, at the opening reception to see the exciting new things happening at Long View Gallery!
